

I. ROUTING INSTRUCTIONS (THIRD PARTY BILLING P7150)

8/27/25 Routing Instructions are an integral part of the purchase order. Failure to comply with the instructions without authorization from Babcock & Wilcox's Logistics Department will result in a deduction of excess freight expense plus a non-compliance administrative fee of \$50.

Please do not skip any step and follow the steps in the sequence as below otherwise you will end-up selecting the wrong carrier.

1. Shipment less than and equal to 8 FT long and 150 Lbs., ship via FedEx Ground Parcel.
2. If PO states an air delivery which is less than and equal to 8 FT long and 150 Lbs., ship via FedEx Air Parcel that meets PO required date.
For LTL shipment within contiguous US ONLY and if the shipment is less than 10,000 lbs., with no single piece exceeding 8' Long or 7'0" wide or high, and/or in excess of 5000 lbs. per piece., please go to <https://tms.logiflow.com> and request credentials.
